Every Friday is Panda Pride Day! Remember to wear your spirit wear, or red, white and black.

Dear Westbrook Parents,

It was wonderful to welcome the students back after our long Spring Break, with smiling faces! The extended time was a welcome break for students, and teachers, which allowed for family time and a change in routine. Teachers enjoyed time with their families and time to recharge for the very busy months to come. Students came back with stories of family trips, visits with friends and extended family, new memories, and times at home to just relax..... and many reported books they read and enjoyed! Now we are all energized to have a very successful finish to the school year. There is still lots of learning to do!!!

To that end, our teachers attended the district Institute Day on Monday at Attea. They were able to select from a variety of professional development workshops and assessment trainings related to all areas of instruction. They could select which were most pertinent to their own professional growth or curricular area. Our REACH staff visited other early childhood settings and spent the afternoon sharing information and new learning. It was an energizing way to end Spring Break!

**Planning ahead**....an event for parents of our current 2<sup>nd</sup> graders: April 27 Parent Orientation at Glen Grove, which begins at 6:30 and is an informational night for parents only in order to learn more about your child's transition to Glen Grove for 3<sup>rd</sup> grade! Mark your calendar and book the babysitter!

### **Spring Cleaning?**

If you are cleaning out your children's bookshelves, and find books that your children no longer read, please bring them to school from April 17 – April 21. Students from Attea are collecting books for Bernie's Book Bank, which distributes books to inner city students. Please consider supporting this very worthy cause! There will be a box in our front office. Thank you!

### **Summer School**

District 34 offers a variety of summer school classes. This year, the K-2 classes will be held at Pleasant Ridge. You can download the catalogue on the district website: [www.glenview34.org](http://www.glenview34.org) Click on the "Schools" tab and look for "summer school" on the dropdown menu.

The catalogue is also available in Spanish and Korean.

There are various classes available for students grades 1 – 5, ranging from choices around creative writing, adventures in reading, health and fitness sports, science and math. The Review and Reinforcement classes are based *on teacher recommendation* only, but if your child's teacher suggests this at conferences, it is a good way to keep your child engaged in learning for 5 weeks this summer.

*Thank you to those of you who drive your children to school—we very much appreciate the way you are following our traffic director's guidance, as well as using hands free only phones. Student and adult safety is our concern!*

Enjoy your weekend! ~ Mary Sue Smith, Interim Principal
