Dear Westbrook Families,

It's hard to believe winter is still sticking around! Fortunately, the weather forecast looks promising so let's hope we get some spring weather next week.

Along with the arrival of spring, our Westbrook team will begin our work in placing our students into homeroom classes for next school year. The class placement process is one that takes considerable time and collaboration among teachers and support staff, and will not be finalized until August. In creating homeroom classes, it is our goal to take into account the social, emotional, academic and creative aspects of every student. Our goal is to form balanced, heterogeneous classes in which each child can find success. If you have additional information that you feel is important for our team to consider in the placement process, please share it with me via email: jsung@glenview34.org by no later than May 4th. We value your perspectives on your child's preferred learning style, peer relationships, and previous school experiences. However, consistent with past practice at Westbrook and the district, please know that we do not honor requests for specific teachers. Please contact me if you have any questions about the class placement process.

FROM THE HEALTH OFFICE

This is a reminder that the State of Illinois requires all Kindergarten and 2nd grade students to provide proof of a dental examination by May 15, 2018.

If your child has had an examination in the last 12 months and you have not provided Westbrook with the form, please ask your doctor to fill out the Illinois Department of Public Health Proof of School Dental Examination Form. Your doctor's office should have them. If you are unable to have your child see a dentist please fill out a waiver form.

These forms can also be accessed on the Glenview34 web site. Please click on the Parent menu and scroll down to "Frequently Used Forms". You will be able to print them out.

If you have any questions, please call the Health Office: (847) 657-2494.

Parents of Incoming Kindergartners and 6th Graders: Free Health Physicals and Immunizations Available

Students entering kindergarten and sixth grade must have a physical and updated immunizations prior to the start of next school year. Your student will not be able to begin the school year without this being completed.

We have arranged for a free clinic through Advocate Lutheran Children's Hospital and Ronald McDonald to come to our district in April 13 and May 31. This will be available for students with Medicaid or without insurance. If you are interested in taking advantage of this clinic, please talk to your building's health coordinator or contact the [district nurse](#) for additional information as soon as possible.

Dear Families and Friends of Westbrook Kindergarteners:

Our kindergarten students will be getting together to perform songs that represent all of the wonderful things we have been learning about this year in music.

There will be two performances: one for AM classes and one for PM classes. Each performance will be approximately 30 minutes long and will be held in the front gym at Westbrook School. Parking in our lot in a designated space may be challenging. We encourage you to park in the empty lot across the street. Please allow yourself enough time to get across the street and into the building. We look forward to seeing you!

¡Nuestro Año de Música en Kindergarten!

Estimadas Familias y Amigos de Kindergarten de Westbrook:

Nuestros estudiantes de kindergarten se reunirán para interpretar canciones que representan todas las cosas maravillosas que han aprendido este año en la clase de música.

Tendremos dos funciones: una para las clases AM y otra para las clases PM. Cada función durará aproximadamente 30 minutos y se llevarán a cabo en el gimnasio delantero de la Escuela Westbrook. Encontrar lugar en nuestro estacionamiento puede ser difícil por lo que le recomendamos se estacione en el lote vacío que se encuentra al otro lado de la calle. Llegue con tiempo suficiente para cruzar la calle y entrar al edificio. ¡Esperamos verlos en la función!
