Dear Westbrook Families,

It's hard to believe it's almost the end of the school year! I would like to say a big thank you for making my first year at Westbrook a wonderful experience! I have enjoyed meeting so many of our parents and family members this year. It has been my absolute joy getting to know our students and being able to watch them grow this year! Thank you for your amazing support and partnership!

Please look out for more information over the summer when class postings and start of the year information will be shared. As shared in previous bulletin, all District 34 schools will be following a process similar to many of our surrounding districts in which parents receive an email with information about their child's teacher as well as other important details leading into the start of the school year. You can expect this information in August, similar to when class lists were posted in the past.

As we say our good-byes for the summer on Tuesday, June 5th, I wish you and all our Westbrook students and families a fun and safe summer vacation. I wish all of our second graders all the best as they continue their learning at Glen Grove in the fall! I hope to see you when I visit GG next year!

Have a wonderful summer break!

Respectfully,
Jeannie Sung

FROM THE HEALTH OFFICE

If your child has medication at school, please remember to pick it up by Tuesday, June 5th. You or a designated adult must sign for it. All medication will be disposed of after June 5th per our District Policy.

REGISTRATION & RESIDENCY

If you have not registered your new student for the 2018-19 school year please visit, <https://www.glenview34.org/registration>, and follow the steps to register your child at District 34.

Please contact your school's main office or the Business Office at (847) 998-5063 if you have any questions.

Summer gardeners wanted!

Last June, with a generous donation from the PTA, Westbrook students planted a Monarch Butterfly Garden in the front of the school. The Monarch butterfly populations have declined dramatically in the past 20 years. In order to help preserve this beautiful and essential insect, the Monarch Watch was established. This project aims to create urban gardens designed specifically for the Monarch as way stations on their yearly migration from North America to Mexico. Go to <http://www.monarchwatch.org> for more information.

We will need gardeners to help our garden stay watered and weeded over the summer.

Summer Gardeners sign up for one week of gardening chores. Duties include watering the garden and occasional weeding. All equipment and tools are supplied.

If you would like to sign up, please follow this link.
